RULES AND REGULATIONS FOR STUDENT DRIVERS

1. As of September 14, 2018, ANY student caught driving a vehicle without their 2018-19 Parking Permit displayed in their window will be subject to discipline as stated in the Crestwood Student Handbook.
2. Once a student receives a Parking Permit it now becomes the student's responsibility to arrive to school on time. The attendance office will not excuse students who arrive late due to a flat tire, engine trouble, or other transportation related excuses.
3. Excessive tardiness to school will result in loss of driving privileges.
4. The speed limit on school district property is 10 mph. Speeding and/or reckless operation of a vehicle will result in disciplinary and/or police action.
5. Give buses the right-of-way. Use extreme caution around school buses.
6. Follow the proper traffic pattern. Students who cut through the Middle School campus will have their parking privileges suspended. In the morning, students are to enter only by the drive that begins at Main Street (Route 44). In the afternoon, after all buses have departed, students may leave by the drive that enters Main Street (Route 44). Students must exit in single file order. Crossing the yellow line or doubling up is not permitted.
7. Drivers are to park properly, one space per vehicle, between the designated lines. Drivers are not to park in handicapped or in fire lanes. Driving behind the school building is strictly prohibited.
8. Students should park, lock their vehicles and go directly into the building—loitering in parking lot is prohibited.
9. Neither Crestwood High School nor Crestwood Local School District will be responsible for any damage or loss incurred while student vehicles are parked in the student parking lots. Lock your vehicle.
10. Vehicles may be searched by school officials.
11. During the school day, a student is not permitted to return to his/her car unless he/she has a pass.
12. Parking permits are non-transferable. Only a student who is registered and places the permit on the bottom left section of the driver's side windshield will be permitted to park in the designated student lots. All others will be told to leave the grounds and return without the car. Any missed school time will be considered as unexcused. Student cars are not to be parked in any other area of the campus or grounds—including grassy areas. Students who park in the faculty lot will have their parking privileges suspended.
13. Failure to abide by Attendance Policies, as defined & expressed in the Student Code of Conduct, may result in loss of the parking permit.
14. Random drug screenings will occur and driving privileges will be revoked if student tests positive for drugs and/or alcohol.

We have read the above Rules and Regulations. We understand and accept the responsibility that accompanies this request.
