

Crestwood Local Schools

Parent/Guardian Agreement to an Inter-District Open Enrollment

We have been properly informed that if our child is to be enrolled in a school in the Crestwood Local School District, we will agree to the following conditions:

- A. Although unlikely, our child may not be admitted or may need to be transferred back to his/her home school at the end of the school year, if the maximum number of enrollments in the classroom or program s/he is attending become filled by students of that school district or by tuition students.
- B. If our child should require special education services or a reasonable accommodation for a Section 504 disability, which Crestwood is not able to provide, s/he may be transferred back to a school in that district that currently provides such services or can make the accommodation.
- C. We shall provide the transportation for our child either to the school s/he will be attending or to a school bus stop within that school district, provided space is available on that bus.
- D. We understand that we must make the application again next year.
