## Student Receives R. A. Horn Award

*By Sherry Lacko, Intervention Specialist*

Mathieu Arotin will be entering 2<sup>nd</sup> grade at Crestwood Primary school, and may have just had the summer of a life time, largely due to his outstanding "can do" personality, hard work and commitment in the classroom! While his family travels took him far and near, Crestwood is proud to boast his travel down to Columbus, Ohio on August 18!

Mathieu, a hard working student and advocate for himself, was awarded the R. A. Horn award, an award given to acknowledge outstanding achievements of students with disabilities in Ohio. Mathieu originally attended an awards reception in April where he was recognized for his efforts in the Northeastern Ohio region (Portage, Summit, and Medina counties). From this reception Mathieu's outstanding accomplishments pushed him through as the sole nomination from our area to attend an awards reception in Columbus Ohio to receive the R.A. Horn award.

## Open House and Climbing Test Scores!

It is hard to believe but the start of school is just around the corner with students returning on Tuesday August 31 with Open House scheduled for Monday, August 30. Like last year, we have staggered Open House for the convenience of parents who have children at both the elementary and secondary levels. Open House will be from 5:30 to 7:30 at our two elementary buildings and from 6:00 to 8:00 at the high school and the middle school. We encourage you to take advantage of this opportunity to meet your children's teachers and to say hello to the new principals at Crestwood Primary School, Crestwood Intermediate School and Crestwood Middle School.

This school year starts with some very positive academic news. As of this writing, the preliminary release of the new state "report card" shows Crestwood Local Schools having its best report card ever. A special congratulations is in order for staff and students of Crestwood Intermediate School who for the first time ever met every possible state academic standard to achieve a rating of "excellent." Crestwood High School had a perfect report card for the 6<sup>th</sup> consecutive year and again received the highest possible rating of "excellent." Crestwood Middle School met 5 of 7 state academic standards and was rated 'effective' and had its highest "performance index" ever. This index measures overall student achievement in all of the subjects and grade levels tested.

While there are many academic highlights related to the new report card I'd like to especially recognize teachers and students in reading and math for the following accomplishments:

- Reading scores in grades 3, 5, and 8 were second in Portage County
- Math scores in grades 3 and 5 were third in Portage County
- Math scores in grade 5 were second in Portage County and have increased nearly 25% in the past two years

Look for a more comprehensive summary in future editions of Crestwood Comments.

## STEM Initiatives at Crestwood

by Mary Ann Strenk

*"Scientists investigate that which already is; Engineers create that which has never been."*

*Albert Einstein*

The field of engineering has expanded through the modern age and engineers have been behind many amazing creations. Think about the International Space Station, a research facility in outer space. What about the Hoover Dam in Arizona/Nevada which uses an arch-shape and the Black Canyon walls to counteract the water pressure from Lake Meade. Compare this to the Three Gorges Dam, which is another concrete structure providing hydroelectric power in China. For all of you thrill seekers, maybe the Kingda Ka Roller Coaster, New Jersey, is more your speed. This is the tallest roller coaster in the world which plunges you down a 456 ft. hill at speeds up to 128 mph. If a ferris wheel is more to your taste, try the Singapore Flyer in London which is a mere 42 stories high. A personal favorite is the Eurotunnel which is an under-sea rail tunnel connecting England to France. Even the bridges we cross every day were designed by engineers, but two amazing bridges include the Viaduc De Millau Bridge, France, and the Akashi Kaikyo Suspension Bridge in Japan.

Engineering in the modern age is more than just structures. Some current problems include securing cyber-space to prevent identity theft, engineering better medicines, making energy more affordable through solar and fusion technologies, and even personalized learning. More areas will develop through advances in technology and needs of an ever-evolving civilization. The more we advance, the more we depend on engineers to solve problems, develop products, and combine knowledge to keep pace with our needs.

At Crestwood High School our students are given the opportunity to explore engineering fields through our Project Lead the Way partnership. Introduction to Engineering Design was started last year and over 70 students participated. This class is designed to immerse students in real-world engineering problems, using project-based, hands-on learning. Students gain extensive experience with a software program called SolidWorks that specializes in 3-dimensional design. In this coming year we welcome the second engineering class in the Project Lead the Way series, Principles of Engineering. This boasts opportunities to explore technological systems and manufacturing processes. It also allows students to discover how science, technology, and math (STEM) help us every day. An added feature of this class is exposure to a flexible construction product called Fishertechniks. These components allow students to create system models while learning about mechanics, statics, pneumatics, renewable energy, electrical technology, and robotics. In the future we plan to add at least two more classes, starting with Digital Electronics in 2011-2012.

At the Middle School we will begin the Pre-Engineering Academy with our current 8th grade class. Students will have the opportunity to use geometry, problem-solving skills, teamwork, and project management to design and develop product prototypes. These 9-week classes will be open during intervention time, allowing students to use the state of the art engineering lab at the high school. A new class will be selected each grading period so 60 students will be able to participate during this school year. Hopefully this will allow students to gain insights into engineering, and prepare them for the engineering classes at the high school. Look for classroom accomplishments in future editions of the Crestwood Comments.

## **Horn Award - continued from Page 1**

In today's media driven society, we often hear many negatives about the youth who make up our communities. It is wonderful to be able to offer an alternative viewpoint by recognizing young people in our area who are achieving success, and at the same time overcoming challenging obstacles to achieve their goals. Mathieu is an outstanding example of a young person that has made a significant difference, both for himself academically and by being a part of the Crestwood Primary student body. Mathieu is a self-advocating triumph story. He is not afraid to share with his peers, the adults within the school, and community members why he is in a wheelchair. He proudly boasts of his academic undertakings, and is quick to make sure that he gets the attention he deserves too! As a teacher at Crestwood Primary School I get to observe some of the many "teachable moments" Mathieu has made possible within our school these past two years, many of which touched our hearts. Mathieu's academics may make him worthy for this award, but once you meet him you will understand that it's his personality and caring compassionate outlook on not only his life, but the life of others that seals the deal for him. He reminds us of a famous quote by Albert Einstein: "Try not to be a man of success, but rather a man of value." Mathieu is a valued member of Crestwood Primary School and we are honored to have him as one of our students!

Congratulations on your well deserved award Mathieu!

## CMS - Music Camp

Fourteen Crestwood Instrumental Music students and two adult staff members from the Crestwood community attended the 2010 Wooster Music Camp July 11-15 held at The College of Wooster. These students enjoyed a week of activities of performances, rehearsals, master classes, recreation, and first-hand life on a college campus along with nearly 200 other students in grades 6-11 from all over the United States. Students performed in one of three bands or orchestra and in small ensembles. The camp culminated with a final concert.

Crestwood students were (row 1): Lilly Cline, Rosalie Novotny, Niki Nero, Kim Zielinski, Taylor Mendiola, Natalie Cline, Shanley Kline, Morgan Engelhart, Mrs. Guegold (row 2): Breanne Travis, Colin Engelhart, Michael Fletcher, Lena Baldwin, Ashley LaManna, Amanda Fosnight. Mrs. Judith Guegold was a member of the instructional staff. Dr. William Guegold was also a member of the camp staff.

manager, provided support, advice, and assistance. A special thanks to grant writers, Amanda Curfman, Natalie Harr, Rosemary Krupar, Kate Viers, Gerrie Zimcosky, Matt and Roxanne Sorrick. Future plans include creating a digital field guide of our school grounds and posting students' investigations on the Crestwood website. The completed pavilion provides an outdoor classroom space that can be utilized by both elementary buildings and the community for many years to come.

## Spirit Day:

The first official spirit day will take place Friday, Sept. 10 at our fall sports/ tug-of-war assembly. Don't forget to go crazy showing school spirit. Break out red and gray, devil horns, face paint, etc. The most spirited student from each class will win an award at the assembly.

## Tug-of-War:

Sept. 10 will be our first class competition, the annual tug-of-war assembly. Four females and four males from each class will team up to compete. The freshmen will battle the sophomores, the juniors will battle the seniors, then the winners will battle each other. The winning student team will then battle the teachers! Sign up for your class tug-of-war team by Friday, Sept. 3 in Room 115.

## Bonfire:

The annual Homecoming bonfire and car bashing will take place on Wednesday, October 6. At 7:30 p.m. the CHS band will lead the snake dance from the front parking lot through town. Upon your return, enjoy some cheers around the bonfire and gather around for the car bashing. In order to bash the car, you must turn in a completed Car Bashing Consent Form, signed by your parent or guardian. Tickets are 2 bashes for a dollar and will be on sale prior to the bonfire.

## Homecoming Court:

Pay attention to the announcements for homecoming court nominations. All students who are nominated will go on the ballot, then all class members will vote. Homecoming court members receive free entry to the Homecoming dance as well as the football game on Friday, Oct 8 where court members will be announced at halftime.

## Homecoming Dance:

The Homecoming dance will take place on Saturday, October 9 from 7:30 to 11:00 p.m. Tickets are \$15.00 per person and will be on sale during all lunch periods for two weeks prior to the dance. NO TICKETS WILL BE SOLD AT THE DOOR. Students bringing guests from other high schools must turn in a completed Guest Form prior to buying tickets. Guest Forms are available in room 115 or in the main office.

## Nature's Classroom

Groundbreaking for "Nature's Classroom" was part of the Earth Day opening ceremonies on April 30. The outdoor pavilion funded by Hiram Community Trust Grant was supervised by Nick Zimcosky of Custom Construction. Many donations made this dream a reality. Lee Pozek donated the architectural plans. O. K. Burgmann Jr. & Sons, Inc. donated the concrete for the foundation. Crestwood Schools provided the asphalt walk, site preparations, and building permits. Dale Monreal, Crestwood's maintenance supervisor, and Gregg Reink, Crestwood's business

**OH!**  
LOTTERY.

Dear Parent/Guardian:

Children need healthy meals to learn. Crestwood Local School District offers healthy meals every school day.

Breakfast cost is \$1.50 (Elementary) and \$1.75 (Middle & High); lunch cost is \$2.50 (Elementary) and \$2.75 (Middle & High).

Your children may qualify for free meals or for reduced price meals. Reduced price is \$.30 for breakfast and \$.40 for lunch.

1. Do I need to fill out an application for each child? No. Complete the application to apply for free or reduced price meals. Use one Free and Reduced Price School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to: Jennifer Bujak-Hirsch, 4565 W. Prospect St. Mantua, OH 44255 330-274-2294 ext. 2108.

2. Who can get free meals? Children in households receiving benefits through the Supplemental Nutrition Assistance Program

(SNAP, formerly the Food Stamp Program), or Ohio Works First (OWF) benefits and most foster children can get free meals regardless of your income. Also, your children can get free meals if your household's gross income is within the free limits on the Federal Income Guidelines.

3. Can homeless, runaway and migrant children get free meals? If you have not been told your children will get free meals, please call or email Teri Beck, Pupil Services, 330-274-2246 to see if they qualify.

4. Who can get reduced price meals? Your children can get low cost meals if your household income is within the reduced price limits on the Federal Income Chart.

5. Should I fill out an application if I received a letter this school year saying my children are approved for free meals? Please read the letter you got carefully and follow the instructions. Call the school at 330-274-2294 ext. 2108 if you have questions.

6. My Child's application was approved last year. Do I need to fill out another one? Yes. Your child's application is only good for that school year and for the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.

7. I get WIC. Can my child(ren) get free meals? Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out an application.

8. Will the information I give be checked? Yes, we may ask you to send written proof.

9. If I don't qualify now, may I apply later? Yes. You may apply at any time during the school year.

10. What if I disagree with the school's decision about my application? You should talk to school officials. You also may ask for a hearing by calling or writing to: Teri Beck, Pupil Services, 4571 W. Prospect St. Mantua, OH 44255, 330-274-2246.

11. May I apply if someone in my household is not a U.S. citizen? Yes. You or your child(ren) do not have to be a U.S. citizen to qualify for free or reduced price meals.

12. Who should I include as members of my household? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends). You must include yourself and all children who live with you.

13. What if my income is not always the same? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes.

14. We are in the military, do we include our housing allowance as income? If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.

15. My Spouse is deployed to a combat zone. Is her combat pay counted as income? No, if the combat pay is received in addition to her basic pay because of her deployment and it wasn't received before she was deployed, combat pay is not counted as income. Contact your school for more information.

16. Why am I being asked about giving my consent for an instructional fee waiver? Ohio public schools are required to waive the school instructional fees for children who qualify for free meal benefits. School Food Service personnel must have parent consent to share student meal application if your child(ren) qualify for a fee waiver. If you agree to allow your child(ren)'s meal application to be shared with school officials to see if he/she/they qualifies for a fee waiver then check "yes" in part 5. If you do not wish for that information to be shared, then check "no" in part 5. Answering no to this question will mean your child will not be able to be considered for a fee waiver. Answering this question either way will not change whether your child(ren) will get free or reduced price meals.

17. My Family needs more help. Are there other programs we might apply for? To find out how to apply for Ohio

SNAP or other assistance benefits, contact your local assistance office or call 877-852-0010.

If you have other questions or need help, call Jennifer Bujak-Hirsch 330-274-2294 ext. 2108.

Sincerely,

JenniferBujak-Hirsch,FoodServiceDirector

## CRESTWOOD LOCAL SCHOOL'S ALERTNOW SYSTEM

***Are you new to the district? • Has your phone number(s) changed?***

**If your answer is YES to one of the above, PLEASE read on!**

Keeping you informed is a top priority at Crestwood Local Schools. That's why we have adopted the ALERTNOW Notification Service which will allow us to send a telephone message to you. This service provides you with important information about school emergencies and various announcements. ALERTNOW is one way we notify you of school delays or cancellations due to inclement weather. What you need to know about receiving calls sent through ALERTNOW

- Caller ID will display the school's main number when a general announcement is delivered.
- Caller ID will display 411 if the message is an emergency.
- The primary phone number will be called for standard and emergency calls; the emergency numbers will only be used in an emergency; and, all will be dialed simultaneously.
- Press 1 to replay the message if necessary.

The successful delivery of information to you is dependent upon us having accurate contact information for each student. If your information has changed over this past year, or if you have a child new to our district and you would like to receive AlertNow messages, please complete the form below and forward it to your child's school.

Thank you for your cooperation. If you have any questions, please don't hesitate to contact my office.

Regards, Gregg Reink - Director of Administrative Services
