

Grade Calculation and Grade Point Average

Credit will only be awarded when a student has successfully passed a course with a grade of a D or higher. Grades will be assigned each nine weeks for the purposes of informing students and parents of class performance as well as to determine eligibility. Grades and points will be assigned based on the scale in the table below:

Percent score	Grade	Points *
90-100	A	4
80-89	B	3
70-79	C	2
60-69	D	1
59 or below	F	0

* AP course grades and PSEO grades (excluding Fs) are weighted one point higher

Year-Long Course

Each grading period quarter grade is 20% of the course final grade and semester exams are 10% of the course final grade.

Semester-Long Course

Each grading period quarter grade is 40% of the course final grade and semester exams are 20% of the course final grade.
